

AMENDMENTS to the DRAWINGS

No amendments or changes to the Drawings are proposed.

REMARKS**Notice of Allowance**

We appreciate the Notice of Allowance in this application. We are filing this Request for Continued Examination, Amendment and supplemental Information Disclosure Statement in order to bring the claims into compliance with present practice regarding 35 U.S.C. §101 subject matter eligibility, and to ensure that all patent prosecution papers from several patent applications are in the file wrapper of the present patent application, including:

- (a) Application Serial Number 09/726,009, filed on 11/29/2000, our docket number AUS9-2000-0738-US1, currently under Appeal from the Examiner;
- (b) Application Serial Number 09/773,197, filed on 01/31/2001, our docket number AUS920000945US1, currently under active examination;
- (c) Application Serial Number 09/801,613, filed on 03/08/2001, our docket number AUS920010024US1, now issued as US Patent 7,475,025;
- (d) Application Serial Number 09/821,106, filed on 03/29/2001, our docket number AUS920000736US1, currently under allowance;
- (e) Application Serial Number 09/801,604, filed on 03/08/2001, our docket number AUS920010029US1, now abandoned; and
- (f) Application Serial Number 12/243410, filed on 10/01/2008, our docket number AUS920010024US2, a continuation of 09/801,613, currently awaiting a first Office Action on the merits.

Please note that we are unable to retrieve from PAIR copies of any non-patent literature from the issued patents and abandoned patent applications, but we are submitting publicly available documents including the Information Disclosure Statements and the Notices of References Cited from these cases for the Examiner's consideration.

We respectfully request entry of the minor amendment, consideration of the supplemental IDS, and allowance of the claims.

Respectfully,

/ Robert Frantz /
